

NCSSAR VETERINARY SUPPORT POLICY

A member with a Mission Ready dog or horse may have routine veterinary services such as shots and other preventative supplies reimbursed by NCSSAR up to a total of \$150 per year per animal. This does not include emergency veterinary treatment.

This application is for the request of reimbursement from Nevada County Sheriff Search and Rescue. If approved, you will be reimbursed the cost of routine preventative care, up to a cumulative of \$150 per year per animal.

Please submit this completed application form including the receipt from your Vet or Veterinary Hospital to your Team Leader, Liaison or Volunteer Coordinator. Your request will then be presented to the Volunteer Coordinator for approval.
